Tuesday 12 October 2021 • 18:00 - 19:30 CEST • 19:00 - 20:30 AST

Meeting: Thyroid Cancer

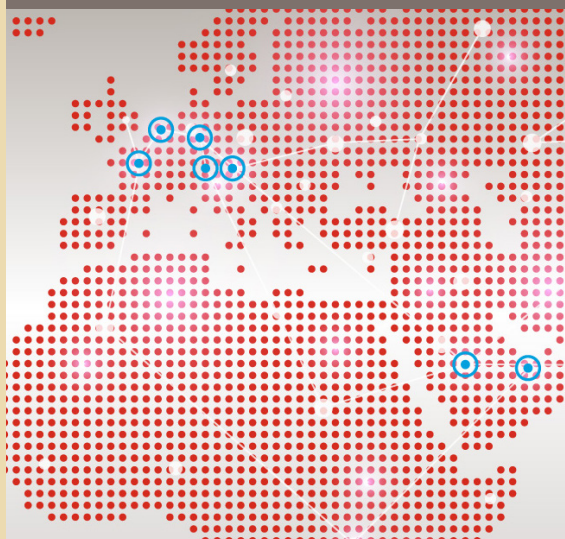

Eli Lilly & Company invites you to an interactive, virtual meeting on the topic

Managing Thyroid Cancer: Diagnostic Approaches and 2021 Congress Highlights

to discuss the clinical implications for patients of the latest research presented at key 2021 congresses along with diagnostic approaches for identifying genomic alterations in thyroid cancer. Connecting participants across different countries this meeting will provide the opportunity to follow lectures presented by an expert faculty, as well as to participate in the discussion, share your opinions and ask the speakers questions.

Locations

Faculty from: Austria • Germany • UAE
France • Netherlands • Saudi Arabia
